For all other Debtors, the address was 9950 Mayland Drive, Richmond, Virginia 23233 and currently is 4951 Lake Brook Drive, Glen Allen, Virginia 23060.

U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are Bankruptcy Code sections 105 and 502, and Rule 3007 of the Bankruptcy Rules.

BACKGROUND

2. On November 10, 2008 (the "Petition Date"), the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code.

3. The Debtors continue to manage and operate their businesses as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108.

4. On November 12, 2008, the Office of the United States Trustee for the Eastern District of Virginia appointed a statutory committee of unsecured creditors (the "Creditors' Committee"). To date, no trustee or examiner has been appointed in these chapter 11 cases.

5. On November 12, 2008, the Court appointed Kurtzman Carson Consultants LLC ("KCC") as claims, noticing and balloting agent for the Debtors in these chapter 11 cases pursuant to 28 U.S.C. § 156(c).

6. On December 10, 2009, the Court entered that certain Order Pursuant to Bankruptcy Code Sections 105 and 502 and Bankruptcy Rules 2002, 3003(c)(3), and 9007 (I) Setting General Bar Date and Procedures for Filing Proofs of

Claim; and (II) Approving Form and Manner of Notice Thereof (Docket No. 890) (the "Claims Bar Date Order").

7. Pursuant to the Claims Bar Date Order, the deadline for filing all "claims" (as defined in 11 U.S.C. § 105(5)) arising before November 10, 2008 against the Debtors by any non-governmental entity was 5:00 p.m. (Pacific) on January 30, 2009 (the "General Bar Date"). The deadline for governmental units to file claims that arose before November 10, 2009 was 5:00 p.m. (Pacific) on May 11, 2009 (the "Governmental Bar Date"). Pursuant to the Claims Bar Date Order, this Court approved the form and manner of the claims bar date notice, which was attached as Exhibit A to the Claims Bar Date Order (the "Claims Bar Date Notice").

8. On December 17 and 19, 2008, KCC served a copy of the Claims Bar Date Notice on all parties who filed notices of appearance pursuant to Bankruptcy Rule 2002, all of the Debtors' scheduled creditors in these cases, the Debtors' equity holders, and certain other parties (Docket No. 1314). In addition, the Debtors published the Claims Bar Date Notice in The Wall Street Journal (Docket No. 1395) and The Richmond Times-Dispatch (Docket No. 1394).

9. On January 16, 2009, the Court authorized the Debtors, among other things, to conduct going out of

business sales at the Debtors' remaining 567 stores pursuant to an agency agreement (the "Agency Agreement") between the Debtors and a joint venture, as agent (the "Agent"). On January 17, 2009, the Agent commenced going out of business sales pursuant to the Agency Agreement at the Debtors remaining stores. As of March 8, 2009, the going out of business sales at the Debtors' remaining stores had been completed.

10. On April 1, 2009, this Court entered an Order Establishing Omnibus Objection Procedures and Approving the Form and Manner of Notice of Omnibus Objections (Docket No. 2881) (the "Omnibus Objection Procedures Order").

OBJECTIONS TO CLAIMS

11. By this Objection, the Debtors seek entry of an order, in substantially the form annexed as Exhibit A, pursuant to Bankruptcy Code sections 105(a) and 502 and Bankruptcy Rule 3007, disallowing the claims listed on Exhibit C attached hereto. The basis for the disallowance of the claims listed on Exhibit C attached hereto is that all of the claims (the "Claims") have been rendered moot and superseded by the claimant filing a subsequent "amending" claim that supersedes the Claim listed on Exhibit C (the "Amended Claims").

12. The Debtors object to the Amended Claims because, among other reasons, the same Claimant subsequently filed an amended claim, the amount and basis of which are the subject of the Amended Claims. Such repetitive claims should be disallowed. The Amended Claims listed on Exhibit C, under "Claim to be Disallowed" should be disallowed for all purposes in these bankruptcy cases. The claims listed as "Surviving Claim" on Exhibit C (the "Surviving Claims") shall remain in effect and are not affected by this Objection; provided, however, that such Surviving Claims may be the subject of a separate objection subsequently filed hereinafter.

13. For ease of reference, attached as Exhibit B is an alphabetical listing of all Claimants whose Claims are included in this Objection, with a cross-reference by claim number.

14. At this time, the Debtors have not completed their review of the validity of all claims/expenses filed against their estates, including the Claims. Accordingly, the Claims may be the subject of additional subsequently filed objections. To that end, the Debtors reserve the right to further object to any and all claims, whether or not the subject of this Objection, for allowance, voting, and/or

distribution purposes, and on any other grounds.

Furthermore, the Debtors reserve the right to modify, supplement and/or amend this Objection as it pertains to any Claim or Claimant herein.

RESERVATION OF RIGHTS

15. As noted above, the Debtors reserve their rights to file objections to these Claims at a later time on any grounds that bankruptcy or non-bankruptcy law permits. The Debtors likewise reserve the right to modify, supplement and/or amend this Objection as it pertains to any claim or claimant herein.

NOTICE AND PROCEDURE

16. Notice of this Objection has been provided to all claimants with claims that are the subject to this Objection as identified on Exhibit C, respectively, and to parties-in-interest in accordance with the Court's Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management and Administrative Procedures (Docket No. 130) (the "Case Management Order"). The Debtors submit that the following methods of service upon the Claimants should be deemed by the Court to constitute due and sufficient service of this

Objection: (a) service in accordance with Bankruptcy Rule 7004 and the applicable provisions of Federal Rule of Civil Procedure 4; (b) to the extent counsel for a Claimant is not known to the Debtors, by first class mail, postage prepaid, on the signatory of the Claimant's proof of claim form or other representative identified in the proof of claim form or any attachment thereto; or (c) by first class mail, postage prepaid, on any counsel that has appeared on the Claimant's behalf in the Debtors' bankruptcy cases. The Debtors are serving the Claimant with this Objection and the exhibit on which the Claimant's claim is listed.

17. To the extent any Claimant timely files and properly serves a response to this Objection by **4:00 p.m. on October 27, 2009** as required by the Case Management Order and under applicable law, and the parties are unable to otherwise resolve the Objection, the Debtors request that the Court conduct a status conference with respect to any such responding claimant at **11:00 a.m. on November 3, 2009** and thereafter schedule the matter for a future hearing as to the merits of such claim.² However, to the extent any Claimant fails to timely file and properly serve a response

² In accordance with the Omnibus Objection Procedures Order, claimants who respond to the Objection do not need to appear at the status conference.

to this Objection as required by the Case Management Order and applicable law, the Debtors request that the Court enter an order, substantially in the form attached hereto as Exhibit A, disallowing the Claims set forth on Exhibit C attached hereto for all purposes in these bankruptcy cases.

**COMPLIANCE WITH BANKRUPTCY RULE 3007 AND
THE OMNIBUS OBJECTION PROCEDURES ORDER**

18. This Objection complies with Bankruptcy Rule 3007(e). Additionally, the Debtors submit that this Objection is filed in accordance with the Omnibus Objection Procedures Order.

WAIVER OF MEMORANDUM OF LAW

19. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Motion, the Debtors request that the requirement that all motions be accompanied by a written memorandum of law be waived.

NO PRIOR RELIEF

20. No previous request for the relief sought herein has been made to this Court or any other court.

WHEREFORE, the Debtors request the Court to enter an Order sustaining this Objection and granting such other and further relief as the Court deems appropriate.

**ORDER SUSTAINING DEBTORS' FORTY-SECOND OMNIBUS
 OBJECTION TO CLAIMS (DISALLOWANCE OF CERTAIN AMENDED CLAIMS)**

THIS MATTER having come before the Court on the
 Debtors' Forty-Second Omnibus Objection to Claims
 (Disallowance of Certain Amended Claims) (the "Objection"),
 which requested, among other things, that the claims
 specifically identified on Exhibit C attached to the

Objection be disallowed for those reasons set forth in the Objection; and it appearing that due and proper notice and service of the Objection as set forth therein was good and sufficient and that no other further notice or service of the Objection need be given; and it further appearing that no response was timely filed or properly served by the Claimants being affected by this Order; and it appearing that the relief requested on the Objection is in the best interest of the Debtors, their estates and creditors and other parties-in-interest; and after due deliberation thereon good and sufficient cause exists for the granting of the relief as set forth herein,

IT IS HEREBY ORDERED ADJUDGED AND DECREED THAT:

1. The Objection is GRANTED.
2. The Claims identified on Exhibit A as attached hereto and incorporated herein, are forever disallowed in their entirety for all purposes in these bankruptcy cases.
3. The Debtors' right to file additional objections to the Claims at a later time on any grounds that bankruptcy or non-bankruptcy law permits is expressly preserved.

4. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the interpretation or implementation of this Order.

5. To the extent the each Claim was timely filed, the Debtors shall not have the right to object to the corresponding Amended Claim on the basis of timeliness, unless the Claimant who filed the Amended Claim included a "new" claim that would not be relate back to the original date on which the Claim was filed under applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

6. The Debtors' right to file additional objections to the Claims at a later time on any grounds that bankruptcy or non-bankruptcy law permits is expressly preserved; provided, however, to the extent the each Claim was timely filed, the Debtors shall not have the right to object to the corresponding Amended Claim on the basis of timeliness, unless the Claimant who filed the Amended Claim asserted a new claim in the Amended Claim that would not be considered timely under applicable law absent leave of court, in which case the Debtors would only be permitted to object to such new claim(s) as untimely.

7. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the interpretation or implementation of this Order.
